

The Vanmaster Owners Club

This is the club for people who are the proud Owners of Vanmaster caravans & motorhomes and who would like to meet others who share a common interest.

The club was founded in 1998 and has around 100 members from all over the country and all walks of life.

Rallies are organised once, or sometimes twice a month during the season which all members are very welcome to join. The 2012 programme features rallies across a wide area of the UK.

In 2010 the club held its first foreign rally, in Northern Spain. The club has a website which provides members with news of all Vanmaster Owners' Club activities and is updated frequently. **For more information visit www.vanmasterownersclub.com**
