Online membership application

AGM with entertainment

Celebrating many years of fun and friendship

About us

Our Club was founded in 1993 and still has founder members who enjoy being part of the Club. You can apply for membership as long as your motorhome is prominently badged Auto-Trail or Tribute.

What better way to enjoy your motorhome than in the company of like-minded people. We would be delighted to welcome you to any of our rallies. The rallies are free and easy, you can join in with any planned activities, or simply do your own thing.

All ages are welcome, the more the merrier. Our rallies are excellent value and we hold them regularly throughout the year in the UK, with several in Europe, which is a good way to take the plunge if you are venturing abroad in your motorhome for the first time. In recent years we have been to Spain, France, Holland, Germany, Croatia, the Czech Republic and Italy.

We have a biennial Auto-Trail Factory Rally which is very popular with our members and gives us all an excellent chance to pick up accessories and see how the motorhomes are built. We enjoy their hospitality, which usually includes entertainment along with refreshments. We also host rallies at most of the shows run by the Warners Group. Rallying in the club area gives a discounted entry price.

3 friends on a rally through Germany & the Czech Republic

A family playing crazy golf at the Factory Rally

We enjoy a great relationship with Auto-Trail VR Ltd - for more information visit their website at www.auto-trail.co.uk, where you will find a fabulous range of motorhomes, latest news items, downloadable brochures, manuals and much more.

We have an AGM Rally with entertainment on two nights, which is generally held in a location that has good road links for easy travelling. Following the AGM there is a members' forum where you can discuss and shape the future of your club.

Auto-Trail Owners' Club - the friendly club

What happens on a rally?

We meet for a weekend or longer, you can stay for as many days as you wish. Our Club has members from around the UK. We will very often try to organise a 'follow-on', where the next rally is within reasonable travelling distance, allowing us to spend longer in different parts of the country.

On arrival at a rally you're welcomed by the Rally Steward and shown where to park. You'll get information about the area, any events that are taking place on the rally, a list of ralliers and a plaque to commemorate your attendance. You pay your camping fee, which can be from as little as £10 per night, plus a rally fee, generally £2 or £3. The rally fee covers the rally plaques and other costs. There will always be fresh drinking water available, a disposal point for waste water and an Elsan point.

Rally Stewards are club members who have volunteered to organise and plan the rally. They give their time and effort to ensure everyone has a good time. If activities are organised, e.g. quizzes, walks, pub lunches, card games, you join in with whatever you choose. We usually have a gathering around the stewards' van for tea/coffee and biscuits, and a raffle may be held.

Attending rallies promotes friendships and allows you to enjoy common interests. You'll meet friendly, helpful people, make new friends and perhaps meet old ones.

All details of all the rallies held throughout the year are in the Rally Book and on our website. You receive a Rally Book once you become a member.
